Residential Education and Housing Winter Break Closing

December 2017

All residence halls will close for winter break on Tuesday, December 19, 2017 at 8:00 PM. All residents must vacate the residence halls by this time and no exceptions can be made. Residents are expected to vacate the halls 24 hours after their last exam or by the closing date, whichever comes first. The residence halls will re-open for the spring at 12:00 PM on Sunday, January 21, 2018.

Please remember that Residential Education & Housing must approve all residents who wish to leave housing during any point in the academic year. If you are moving out and it has not been confirmed by our office, please contact us immediately.

Students moving out of their fall assignment for any reason will need to follow the instructions that will be sent via e-mail in the coming days.

Students with a new room assignment for the spring semester will be able to move in when the halls open on Sunday, January 21, 2018 at 12:00 PM. However, please do not leave any items in your fall assignment as they will be discarded to prepare the room for a new resident.
