Drop & Go

Frequently asked questions our office receives:

Q: What is Drop & Go?

The **Drop & Go** process is an approach to move in where you are given the opportunity to “drop” off your belongings, “go” back home for a few days, and return to campus on your designated move-in day.

This process helps us maintain a smooth and enjoyable move-in experience for our entire campus!

Q: When is Drop & Go?

for Fall 2024, Drop & Go appointments will be available between **Friday, August 16** and **Wednesday, August 21**.

Q: When can I sign up?

Drop & Go Appointments will go live in **MyHousing** starting the week of **July 22, 2024**.

Priority will be given to those students who live more than 100 miles away from campus.

Q: Can I participate if I have a health hold?

Students with a health hold cannot select a Drop & Go appointment until the hold is cleared. If you have a question about your health records, please reach out to Student Health Services (health@tcnj.edu).

Q: Where do I go?

Check-in during the Drop & Go Process starts in the **Brower Student Center**. You must report to the Brower Student Center first *before* going to your assigned residence hall.

See below for a campus map with the check in location.

Q: What do I pick up?

Students are able to pick up their room key, residence hall security sticker, and student ID at check-in.

For students who did not submit a photo for their ID in advance: you will be directed to visit Green Hall room 119 (open Monday-Thursday, 8:30am-4:30pm during Drop & Go).

Q: Can I bring guests?

There are no limitations with how many guests you bring to campus for Drop & Go.

To help with the flow of traffic, we request no more than 1-2 guests come with the student to check-in at the Brower Student Center.

Only the student will be able to pick up their room key.

Q: Are carts provided?

In residence halls *with* elevators, carts will be available on a first-come, first-served basis.

Carts will *not* be available for the following residence halls: Allen, Brewster, Centennial, Ely, Norsworthy, and Townhouses.

Q: Where are the carts?

Cart locations

- Travers and Wolfe: Fitness Center on the Lobby Level of Travers and Wolfe
- Cromwell and Decker: in Cromwell or Decker Main Lobby areas
- Eickhoff and New Residence: in Eickhoff or New Residence Main Lobby areas
- Hausdoerffer and Phelps: in the Hausdoerffer or Phelps lounge area

Locations will be finalized and signs will be posted for students during Drop & Go at these locations.

Q: Can I live on campus after my appointment?

Any student who selects a Drop & Go Appointment between August 16–21 will not be permitted to remain on campus after they move in their belongings. Students will have a 3-hour window to pick-up their room key, unload their belongings into their room and return home.

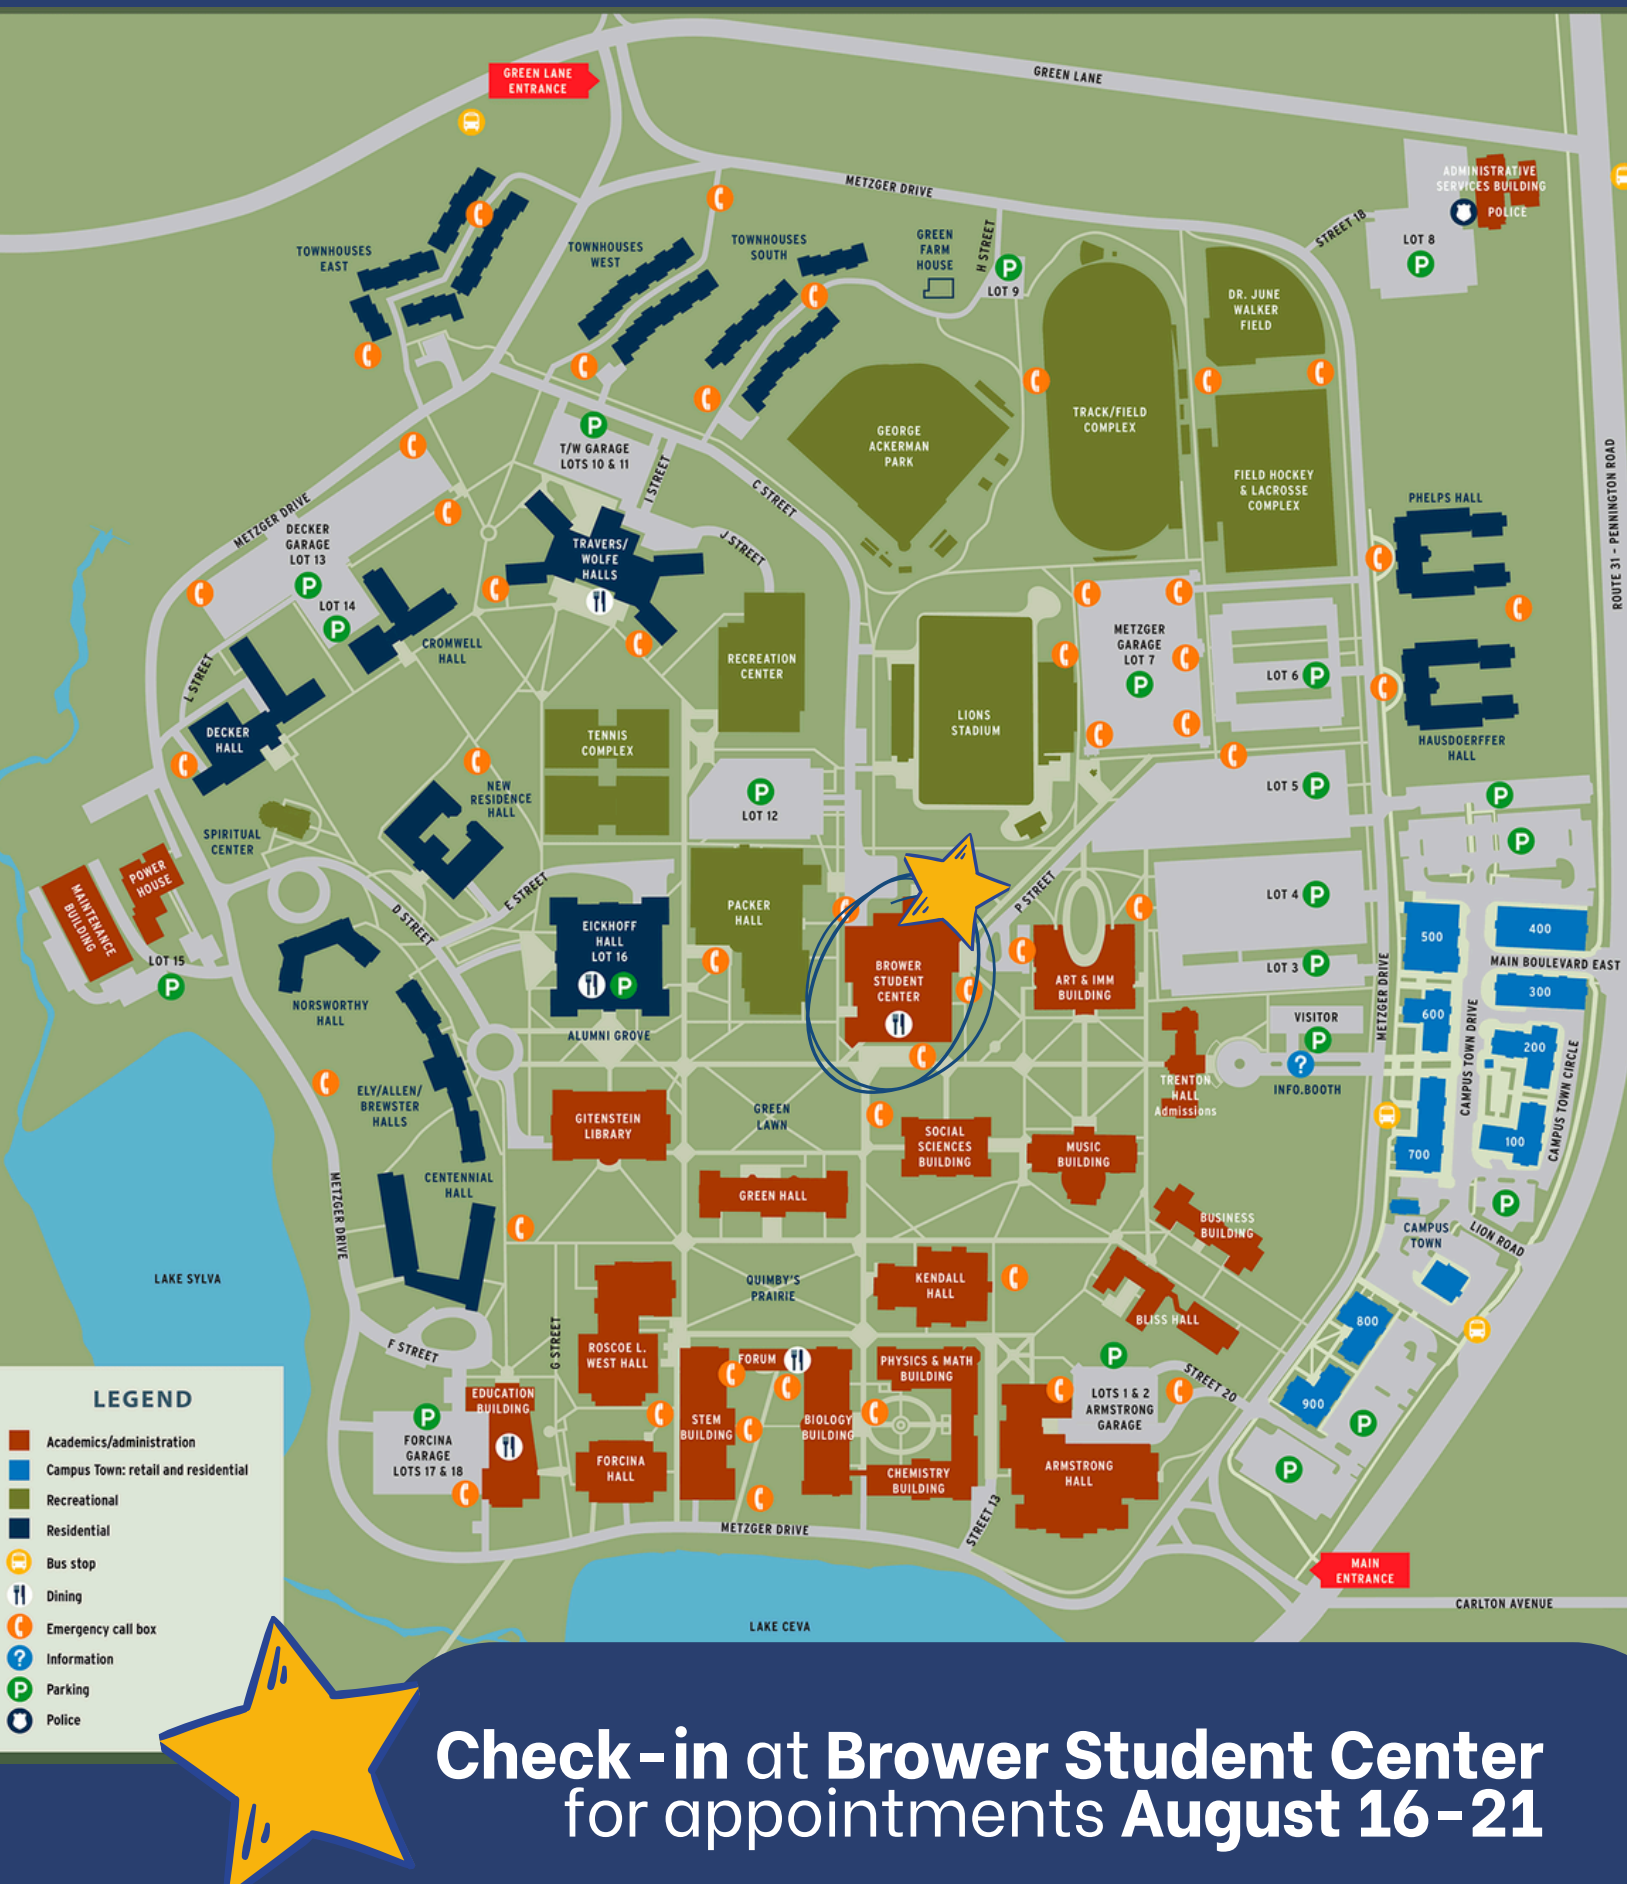

There will be **a limited number of appointments** available on Thursday, August 22, 2024 for First Year and Transfer students who cannot participate in the Drop & Go Process.

Likewise, there will be limited appointments on Sunday, August 25, 2024 for Returning students who cannot participate in the Drop & Go Process.

Only students with a move-in appointment on those days will have a 3 hour window to pick-up their keys, move-in and will be allowed to remain in residence.

If you have any questions regarding Drop & Go or Move In, please contact us via email at housing@tcnj.edu!
